Welcome to Sea Turtle Foundation!

Thank you for joining Sea Turtle Foundation. With your support we can protect and conserve endangered sea turtles.

All 7 sea turtle species are in danger of extinction due to human impacts. They choke on our rubbish, get caught in fishing nets and are hunted for meat and eggs. They are losing their nesting beaches to coastal developments and the very water they live in is so polluted they develop life-threatening tumours.

However, groups like Sea Turtle Foundation can be very successful in restoring populations.

Sea Turtle Foundation is working with communities, businesses and governments to reduce threats. We are based in Townsville, Australia and work throughout the Indo-Pacific region.

With your support we will bring sea turtles back from the brink of disaster.

Sea Turtle Foundation members:

- **Protect and conserve sea turtles**
- **Require governments to listen to our advice**
- **Strengthen our resolve to succeed**
- **Join our activities**
- **Access our Member Benefits program**

To complete your application please fill in the attached form and return using one of the following methods:

- Scan and email to: info@seaturtlefoundation.org
- Mail to: Sea Turtle Foundation, PO Box 1190, Townsville, QLD 4810, Australia
- Fax to: +61 (0)7 4721 2699

For payment methods please refer to our website:

<http://www.seaturtlefoundation.org/support-us/membership/>

For queries or to confirm payment has been received please contact us at:

- info@seaturtlefoundation.org

Thank you for joining Sea Turtle Foundation. Together we will protect and conserve sea turtles.
